

Draft Smoke/Vape Free Open Spaces Policy 2023

Southland District Council is reviewing its Smoke-Free Open Spaces Policy and is inviting submissions on the draft policy.

This policy encourages no smoking or vaping in Council's open spaces through signage and promotion, particularly at locations where young people gather. Please note that this policy is not enforceable but serves as an educational tool.

We recommend before completing this submission form you familiarise yourself with the draft policy and the supporting information, which summarises the policy and any proposed changes. These can be found at our consultation website: [Make It Stick](#) or in any local Southland District Council office.

If you make a written submission, you can also request to make an oral submission at a hearing.

Submissions are open from 8am, 13th July to 5pm, 14th August 2023.
