

Taramea Bay playground

Make it stick
SOUTHLAND

Adventure awaits!
Concept plans have been revealed for the adventure playground space on the mound at Taramea Bay and we want your feedback.

After collating all the ideas which flooded in during the public engagement phase earlier this year, we've worked with leading playground gurus Creo to create a concept design to spark your thinking. Now we want your ideas to evolve it even further.

- Do you like the concept?
- What could the feature play item be?
- What, if anything, would you like to see added or removed?

This is your chance to contribute and work alongside Council to determine the best outcome for this unique play space. Share your ideas here.
